Mrs. Melba, Sprague, Legislative Chair
American Association of University Women

Dear Mrs. Sprague:

The South Carolina House of Representatives has been giving a lot of thought lately to ways in which we could step up and improve the effectiveness of our legislative sessions, particularly those activities planned for the legislators by various groups and organizations.

The House has a fine reputation for its support of groups and organizations such as yours and we would like to continue that support. This is where we need and seek your continued cooperation and advice.

During the organizational session the House met and passed certain rules governing the hours the House would be available for accepting invitations for certain activities.

Please be advised that the hours for accepting the following are as noted.

- A. Invitations to breakfast will be accepted anytime before 10:00 a.m.
- B. Invitations to a luncheon will be accepted between the hours of 12:30 midday and 2:00 p.m.
- C. Invitations to evening affairs will be accepted no earlier than 7:00 p.m.

The House has enjoyed and looked forward to the fellowship you have made available through your various invitations and we trust that you will be able to modify your schedule and continue to be supportive of us under the new rules.

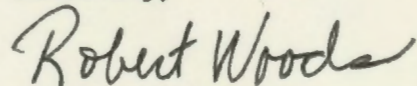

We appreciate the thoughtful courtesies on your part in the past and look forward to continued support in the future.
